4<sup>th</sup> Grade

## Math Overview

Students will use decimal notation for fractions with denominators 10 or 100. They will also compare two decimals by hundredths by reasoning about their size and express equivalent fractions with denominators of 10 and 100. Students will also begin to find relative size measurement units within one system of measurement.

## Skills Focus

- Writing and comparing fractions with denominators 10 or 100 as fractions
- Unit Measurements
- World Problems with measurements
- Topic 12 - EnVision Math
- Topic 13 - EnVision Math

## At Home Connection
