GRADE 4

SKILLS FOCUS:

- Multiply a four-digit number by a one-digit number
- Model solutions using equations, arrays, drawings
- Divide a four-digit number by a one-digit number
- Topic 4 - EnVision Math
- Topic 5 - EnVision Math

MATH OVERVIEW

Students will multiply a four-digit number by a one-digit number. They will also model their calculations using equations, arrays and illustrations. Students will begin to find whole-number quotients by dividing a four-digit number by a one-digit number.
