Kindergarten

Math Overview

Students will correctly name and ID shapes as 2-D or 3-D. They will also describe objects in the environment using shape names and relative position to each other (above, below, in front of, behind, next to).

Skills Focus

- Identify object's shape by name and relative position to other shapes.
- Identify Shapes as 2-D or 3-D and find in the real world.
- Topic 13 - EnVision Math
- Topic 14 - EnVision Math
