Mission Statement

Embrace - Engage - Educate

Our mission in the Egg Harbor Township School District is to embrace families and their students to provide a safe, rigorous, and relevant learning experience while students are engaged and educated to become responsible for their own learning.

District Learning Goals for 2020-2021

To build a culture and climate that embraces, engages and educates individual students and their learning needs.

Improve Student Achievement – Prioritize Literacy for ALL; meet the social and emotional learning needs of individuals; create innovative learning experiences with STREAM education.

Support Climate, Culture and #EHTPride – Administrators, teachers, students, parents and community members will support positive learning environments, where all are recognized and rewarded for achievement, progress, good character, work ethic and a respect for diversity. We will continue to expand our school environment to focus on cultural proficiency and ensuring equity in our schools.

Expand Community Partnerships – Reach out to the community by creating partnerships and cultivating relationships with all stakeholders.
