

April-May

EHT ELA Newsletter Fifth Grade

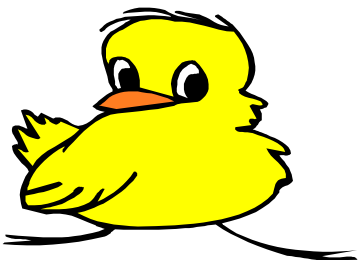

Skills Focus

Reading:

Students will explore a new genre and its unique traits. Then, Book Clubs will be formed, where students will become stronger readers through collaboration and inquiry.

Writing:

Students will practice writing in response reading and about different genres.

Literacy Block

Students continue to work in small groups at literacy centers and to build independent reading stamina. Through guided reading, students are working on individual reading and writing skills.

At Home Connection

Practice marking up at home reading:

Readers Use Think Marks

To show what we are thinking as we read.

LOL	Funny Part	C	I made a connection
?	Confusing Part	👁️	I visualized
♥️	Favorite Part	*	Important Part
☁️	I made a prediction	!	Exciting Part
