### Rhyming Word Memory Game

Ettabetta loves rhyming words. You can create a Rhyming Word Memory Game by using cut-out words (below).

How to play:

- Flip all of the cards over so that the picture sides of the cards are facedown.
- The first player turns over any two cards, flipping them all the way over and laying them down with the pictures facing up.
- The player collects the two cards if the words for the two pictures rhyme. Otherwise, the two cards are turned back over in the same position, and then it's the next player's turn.
- Continue to take turns until all of the rhyming matches are made.
