GRADE K

MATH OVERVIEW

SKILLS FOCUS:

- Comparing number of objects in a group
 - Comparing two numbers between one and 10 presented as numerals
- Decompose numbers less than or equal to 10 into pairs using objects and drawings.
- Topic 2 - EnVision Math
- Topic 4 - EnVision Math

Students will begin to understand how the number of objects in one group compares to the number of objects in another group. Students will identify which set is larger and decompose groups into pairs.
