Kindergarten

Math Overview

Students will understand the relationship between numbers and quantities as well as connect to cardinality. They will also answer "how many?" questions about up to 20 things arranged in a variety of ways.

Skills Focus

- Count to understand the relationship between order and amount of objects in a group.
- Understand that counting refers to one larger than the previous number.
- Find the total number of objects in a collection.
- Topic 9 - EnVision Math

At Home Connection
