## Mission Statement

### Embrace - Engage - Educate

Our mission in the Egg Harbor Township School District is to embrace families and their students to provide a safe, rigorous, and relevant learning experience while students are engaged and educated to become responsible for their own learning.

## District Learning Goals for 2023-2024

**To build a culture and climate that embraces, engages and educates individual students and their learning needs.**

**Improve Student Achievement** – Provide Literacy for ALL; meet the social and emotional learning needs of individuals; foster critical thinking, create student-centered lessons, relevant and innovative learning experiences; infuse STREAM Education and new technologies into the classroom learning experiences.

**Support Climate, Culture and #EHTPride** – Administrators, teachers, students, parents and community members will support positive learning environments, where all are recognized and rewarded for achievement, progress, good character, work ethic and a respect for diversity. We will continue to focus on and expand upon cultural proficiency, student agency, and ensuring equity in our schools.

**Expand Community Partnerships** – Foster meaningful relationships and cultivate partnerships with our stakeholders.
